'What is a NSP?'—an info series

This info series was co-designed with Mob who use NSPs, AIVL is proud to present our "Always Was, Always Will Be" NSP awareness and education project. At AIVL, we love a good yarn, so if you know any way we can improve on what we have done, get in touch!

NSPs, MORE
THAN FRESHIES!

OUR NSP

What is a NSP?

Needle & Syringe Programs (NSPs) are **Private** services for people who inject. NSPs help prevent blood-borne viruses like hepatitis C and HIV. People who inject can get the freshies they need, and other stuff, including referrals, for free at the NSP.
